SUBSIDENCE ADVISORY
GUIDELINES
Sheet Number: SA NSW-NEWC 3

This plan has been compiled for use by Subsidence Advisory NSW from official records held by the Department of Planning and Environment, Resources & Geosciences; surface data supplied by the Department of Finance & Services, Spatial Services and information from mine owners. Therefore no warranty is expressed or can be implied to any other person as to the accuracy of the map or that it is free from any error or omission. Accordingly the State of New South Wales, Subsidence Advisory NSW and their respective officers, employees and agents hereby disclaim any liability whatsoever for the consequences arising from any act done or omission made in reliance by others on the information contained in this plan.

The original Record Tracings of the mine workings are held by the Department of Planning and Environment, Resources & Geosciences and are the only records to be referenced for planning purposes.

Please refer to the full Map Disclaimer displayed on the SA NSW Website when accessing these maps.
